Greetings,

We are pleased to announce the 2012 Dartmouth Symposium for the Life Sciences, **“Alternative Protein Conformations in Biology and Disease,”** to be held on Thursday, October 11, 2012.

We have planned a full day program featuring six speakers who are leaders in the field of protein folding and it's clinical implications.

- Susan Lindquist, MIT
- Art Horwich, Yale University
- Reed Wickner, NIH
- Richard Morimoto, Northwestern University
- Surachai Supattapone, Geisel School of Medicine at Dartmouth
- Patrick Dolph, Dartmouth College

Admission is free, and refreshments and lunch will be provided. We welcome the attendance of all faculty, physicians, researchers, post-docs, graduate students and undergraduate students interested in the life sciences. Registration information will follow soon. We hope to see you there!

Best regards,

Chris Bentivoglio
